

SECURITY RADIO ACCESSORIES

STAFF YOUR TEAM WITH CODE RED SURVEILLANCE ACCESSORIES

With a growing trend for increased security requirements for larger institutions, the team at Code Red Headsets has identified a need for high quality, reasonably priced 2-way radio communications solutions.

NEW PRICING OPTIONS AVAILABLE TO ACCOMMODATE THE MOTOROLA XPR 3000 SERIES!

We tailored these new offerings to work well with the radio systems we see being used by most of the Institutional customers we currently serve. This includes Universities, Hotels, Casinos and Churches, really anywhere there is a need for a security team.

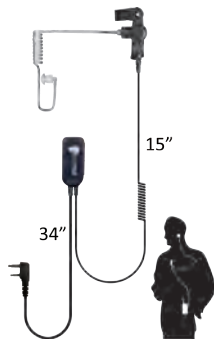

✂ SIGNAL 21 SPEAKER MICROPHONE

- » Made rugged to withstand water, wind, dust and is impact resistant.
- » Heavy-duty strain relief means longer service and less down time.
- » Kevlar reinforced cable guarantees reliability.
- » Covered 3.5 mm audio jack allows private conversations to be diverted to your ear.
- » Lightweight at only 3.6 ounces.

✂ RECRUIT SURVEILLANCE MICROPHONE

One-wire microphone with clear tube earpiece and a push-to-talk. The Recruit is great for those with tight budgets. Kevlar reinforced cable guarantees reliability.

✂ SHERLOCK SURVEILLANCE MICROPHONE

One-wire microphone with a clear tube earpiece and a push-to-talk. The Sherlock has field replaceable earpiece components. Available as Quick Disconnect. Kevlar reinforced cable guarantees reliability.

✂ EAR MOLDS MOLDED EARPIECES

Our Ear Molds are made of hygienic silicone in a clear pink or black color. Vented to allow ambient sound to enter the ear while providing clear audio. Can be ordered INDIVIDUALLY or in BULK 10 Pack and 50 Pack. **Sizes:** Small, Medium, and Large.
