

**YOUR #1 SOURCE
FOR RADIO COMMUNICATIONS**

With a growing trend for increased security requirements for larger institutions, the team at Code Red Headsets has identified a need for high quality, reasonably priced 2-way radio communications solutions.

NEW PRODUCT

Silent JR- HR8

Keep your communications discreet and get the intel you need to operate effectively. From tactical situations to more professional and recreational settings, when incoming information comes in it should be for your ears only first. The full sound quality transfers from the mic to the earpiece. The first step to answering the call of duty is receiving it loud and clear.

- » Listen Only Acoustic Coil Tube Earpiece with 14" cord and HR8 8-pin connector specifically made to operate with the **Motorola HMN4101/02/03** Shoulder Microphones.
- » Diverts the audio directly to your ear - Provides crystal clear sound
- » Our Silent Listen Only Earpiece is Kevlar® reinforced for robust performance, even under harsh conditions.
- » Our cable tensile strength is up to 5 times as strong as some of those inexpensive headsets you will find on the internet.

Kevlar® – Good for stopping bullets and keeping your comms working!
